How do I pay? Fees can be paid in the office by cash or check. You may pay for a longer period of time if you wish. There is an option to pay online, but there is a 3% convenience fee if you pay with a card. The online link is here: <https://kc-online-payments.square.site/>

What is the cost? The cost is \$50 per full 5-day week. If there are only three days in a scheduled week the amount would be reduced accordingly. The first week of school there are four days, so the amount for that week is \$40.

When is payment due? Fees are due on Friday of the week prior. All fees must be prepaid.

What are the hours? From after school until 5:00 p.m. on days school is in session. If there is a scheduled day off, the program will not be available.

What about Early Outs? On days when an early out is scheduled, the program will run from after school until 5:00. The early outs are on the school calendar. In the event school is dismissed early due to weather or some other reason, students must go home.

Can my child drop in for only a day? No. This is a weekly program. If you want your child to attend one day, the fee is for the entire week. They must be pre-enrolled for the week.

Can I skip a week? Yes. The enrollment is on a week by week basis.

Is there any bussing? No. Parents are responsible to make arrangements to have their child picked up by 5:00.

Can the school prevent my student from attending? Yes. We do not anticipate this being a problem, but if a student is regularly disruptive and will not follow the direction of the supervisors, then they may not be allowed to come for a period of time. Participation in the program is optional.

Is there a snack? Yes. Every day all of the students will have a snack after school. There is no additional fee for the snack. If a student wants to bring a different snack on their own, they may do so.
