## **JUNIOR/SENIOR OPEN NOON HOUR PERMISSION FORM**

Kittson Central High School has an “open” lunch policy for juniors and seniors this school year.

\_\_\_\_\_ has permission to use the open lunch period privilege.

It is understood that we, the parents/guardians, will not hold the school district responsible should an accident occur while driving or riding in a motor vehicle. It is also understood that the open noon hour is a privilege and can be revoked from students if misused. Possible reasons for losing this privilege could include but are not limited to: careless/reckless driving, shoplifting, tardiness coming back to school, skipping school and inaccurate lunch counts trace back to individual students.
