

Student Media Release Form

Dear Parents/Guardians:

To publicize the achievements of our students and the great work they perform, we would like to occasionally publish students' names, photographs, or achievements in our school publications or release the information to local media. In some instances, students may even be interviewed and televised by local media. We may also post the information on the school's web site.

We understand that you may not want to have your child's name, photo, or achievements published. Please fill out the form at the bottom of the letter to let us know your wishes. Names of K-6 students will not be linked to their picture on the web site but may be in the school newsletter and annual.

Please send this form back to the Kittson Central High School or Elementary School office.
